USA College of Education and Professional Studies Annual Report 2017-2018

The College of Education and Professional Studies is one of nine colleges and schools of the University of South Alabama. Founded on February 1, 1967, the College serves approximately 2,100 graduate and undergraduate students. With a total annual budget exceeding 14 million dollars, the College is able to support a broad array of degree programs. The College is nationally accredited by the National Council for the Accreditation of Teacher Education, our educator preparation programs are accredited by the Alabama State Department of Education, our doctoral program in Clinical and Counseling Programs are accredited by the American Psychological Association, and our Counseling Programs are accredited by the Council for the Accreditation of Counseling and Related Educational Programs.

MISSION

Our mission is to provide the highest level of leadership in furthering education, life-long learning, and well-being for all citizens of Alabama as members of a global community.

VISION

Our vision is to become an exemplar for preparing high-quality professionals who are committed to maximizing the potential of every citizen to participate fully in a global community.

SUMMARY

Recognizing that faculty members often collaborate on scholarly activities, the data are presented by the number of faculty members participating in each activity and by the number of resulting products.
