Apply for On-The-Job (OJI) Wage Replacement Benefits

I understand that beginning with the fifth calendar day following the day of the incident the On-The-Job Injury Program will pay 66 2/3% of my regular rate of pay for time/wages lost as a result of an on-the-job injury and that this benefit is subject to all normal deductions (such as federal and state tax). I can supplement this reduced rate of pay with my accrued PTO hours.

If lost time resulting from an on-the-job injury exceeds two calendar weeks, the employee must apply for a leave of absence (FML, if eligible or Personal Leave) retroactive to the date of the injury. A new form must be submitted. A leave of absence and on-the-job injury leave will run concurrently and will not "stack" one after the other.

☐ **I do want to use my PTO to supplement my OJI wage replacement benefit.** (PTO hours used to supplement an OJI wage replacement benefit will not be reinstated.)

☐ **I do not want to use my PTO to supplement my OJI wage replacement benefit.**
