UNIVERSITY OF SOUTH ALABAMA
SPRING COMMENCEMENT

Saturday, May 9, 2020

Processional..... Pomp and Circumstance No. 1
The USA Commencement Band
William H. Peterson, D.M., Conductor
Director of Bands and Associate Professor of Music

Presentation of Colors..... The USA Color Guard

The National Anthem Samantha L. Anselmo
Graduate Music Major

Invocation Michael A. Mitchell, Ph.D.
Vice President for Student Affairs and Dean of Students

Welcome Tony G. Waldrop, Ph.D.
President

Conferring of Doctoral Degrees President Waldrop

Conferring of the Master’s and
Educational Specialist Degrees President Waldrop

Conferring of the Baccalaureate Degrees President Waldrop

Recognition of PASSAGE USA Students President Waldrop

Remarks President Waldrop

Recessional The USA Commencement Band

The audience is requested to stand during the Processional, Presentation of Colors, National Anthem, and Invocation.

The program contains the names of candidates for degrees and tentative honors for those who may be eligible. Inclusion in the program does not constitute evidence of completion of the required program of study for awarding the degree, certification or honors.

PRESIDENT

TONY G. WALDROP

Affairs and Dean of Students

John W. Smith, Executive Vice President

Margaret M. Sullivan, Vice President,
Development and Alumni Relations

G. Scott Weldon, Vice President, Finance
and Administration

UNIVERSITY OF SOUTH ALABAMA

A BRIEF HISTORY

The University of South Alabama was founded in 1963 without a single building to call its own. More than 55 years and quite a few buildings later, USA is a vibrant university that continues to serve as a catalyst for transformational change in the city, the state and the Gulf Coast region.

USA's story began in the early 1960s, when Mobile's civic leaders saw the need to improve access to higher education in southwest Alabama. Realizing the region had outgrown the

small extension program that operated out of a building downtown, they formulated plans for a four-year, degree-granting institution. On May 3, 1963, a bill creating a new, independent university successfully passed the Alabama Legislature, and USA was born.

Classes began in June 1964 at a new, \$1 million building in west Mobile. Initial enrollment totaled 276. The extent of the pent-up demand for education became obvious when the first fall semester began. Enrollment leaped to 928 — and it continues to grow. Today, USA enrolls more than 15,000 students annually and has awarded more than 90,000 degrees.

The first campus building is now named the Frederick Palmer Whiddon Administration Building, after USA's first president. Whiddon helped establish the University and remained at its helm until retiring in 1998. His successor, longtime faculty member and administrator V. Gordon Moulton, oversaw a new era of growth into the 21st century. Dr. Tony G. Waldrop, selected in 2014 as USA's third president, continues the USA tradition of visionary leadership focused on discovery, health and learning.

As new programs attracted more students, the University's footprint and facilities expanded. Almost from the moment USA accepted its first students, its leaders began ambitiously working toward establishing a medical school. The College of Medicine charter class began in 1973, and USA's focus on health education was later complemented by the College of Nursing and the Pat Capps Covey College of Allied Health Professions.

Today, USA provides high-quality education in business, the liberal arts, education, engineering, computing, the sciences and health care. It offers more than 100 undergraduate, graduate and doctoral degrees through its colleges and schools. The University campus includes USA Technology & Research Park, an incubator of economic development and technological innovation. On the east side of Mobile Bay, USA's Baldwin County Campus provides Eastern Shore residents convenient access to educational programs.

The University of South Alabama includes USA Health, composed of two hospitals — USA Health University Hospital and USA Health Children's & Women's Hospital — along with the USA Health Mitchell Cancer Institute and the USA Health Strada and Mastin patient care centers. This network of advanced health care services has improved the lives of countless residents throughout the region.

A charter member of the Sun Belt Conference, USA fields 17 Division I sports teams, including baseball, softball, basketball, soccer, volleyball, tennis, golf, cross country and track and field. The Jaguars have won four straight conference all-sports trophies and, in 2020, the football team will play on campus in the new Hancock Whitney Stadium.

ACADEMIC REGALIA

Academic regalia can be traced back to European universities and ecclesiastical practices of the Middle Ages. As early as 1321, costumes identified the status of the wearer. In addition to signaling differences of degree, the garments had functional purposes, providing necessary warmth in sparsely heated buildings.

Regalia differentiate among the three degree levels used by our University; bachelor's, master's, and doctoral degrees. Common to all three levels is the headwear; the familiar square black mortarboard, although soft velvet tams may be worn by those holding doctorates. The gowns appropriate to the three ranks differ in the shape of the sleeves and in the special trim found on the doctoral gown. The bachelor's gown, which is unadorned, has wide sleeves that are pointed at the bottom. The master's gown has curiously designed sleeves, which are elongated at the rear and reach downward to the gown's bottom hem. The doctoral gown has bell-shaped sleeves and is distinctively trimmed with velvet facings down the front and three velvet bars on each sleeve. These trimmings may be black or the color appropriate to the discipline in which the degree was awarded.

The hoods worn by those holding the master's and doctoral degrees provide the color of the academic procession. These garments are draped over the shoulders and back of the wearer to display the linings, which present the colors of the university awarding the degree. Those holding degrees from the University of South Alabama wear hoods lined with chevrons of red, white, and blue. The hoods also have velvet binding, three inches wide for the master's degree and five inches for the doctorate, in a color designating the discipline.

THE MACE

Originally used as a medieval weapon, the mace evolved as a symbol of academic dignity and authority by colleges and universities in the 16th century. Traditionally, the mace is carried as a part of formal academic processions. The University of South Alabama mace, carried by the president of the Faculty Senate acting as chief marshal of commencement ceremonies, was designed by Dr. James Conlon, a professor of art at USA from 1967-1997.

In Conlon's words, his goal was to create a design that captured "an open form which symbolizes the primary functions of the University — that of support and protection for the growth of knowledge and scholarship represented by the golden orb." The engraved attributes of Responsibility, Virtue, Charity, Dedication, Fidelity, Fortitude, Honor, and Industry surround and uphold the symbol of knowledge.

UNIVERSITY AND COLLEGE GONFALONS

The students will proceed to their respective places behind gonfalons. Gonfalons are the flags or banners, hung from crosspieces on poles, used since medieval times in the republics of Italy as symbols of state or office. The top portion of each college's gonfalon is the designated color for each unit; white is the background color for each of the colleges' symbols, as well as one of the University's colors. To help identify each college gonfalon, a description of each follows:

University Gonfalon

The University of South Alabama's colors of red, white and blue predominate with the University's official seal in the center of the white section.

College Gonfalons

Arts and Sciences: The globe in the College of Arts and Sciences' gonfalon symbolizes study of human societies, cultures and behaviors. The microscope represents the scientific study of nature. The paintbrush, palette and lyre connote artistic performance and appreciation of the arts, and the book is symbolic of a life informed by learning.

Education and Professional Studies: The flourishing flame blazoned with red and light blue signifies the burning zeal of the three missions of education - teaching, research and service. The hands hold the spiritual, social and intellectual flame of education.

Engineering: The Earth is the ground stability, a foundation for life and for the structure of humanity and nature. The College of Engineering invites discovery and investigation into the realm of ever-changing worldwide technologies. The bridge is a symbol of engineering design. It is the essence of learning, the container of intellect and the spirit of wisdom that creates destinies.

Medicine: The caduceus is a wing-topped staff intertwined by two snakes and was carried by Hermes, Greek messenger of the gods. In early cultures the intertwined snakes symbolized healing. The caduceus has been a symbol of medicine since the 16th century.

Mitchell College of Business: The Mitchell College of Business uses the symbol of a club which is associated with money, wealth, work and luck. The color purple symbolizes the rank of authority. The gold lozenges represent the flow of order.

Nursing: Three blue stars blazoned with gold symbolize caring, innovation and empowerment. The two shafts of wheat represent nourishment and strength, while the globe illustrates the universal presence of nursing. The burning lamp of Florence Nightingale and the red cross signify the history and origins of nursing.

Pat Capps Covey College of Allied Health Professions: This symbol depicts the many health care professions that make up the health care team. The supporting hands and the red center represent the caring nature and the heart of the various professions represented in the Pat Capps Covey College of Allied Health Professions.

School of Computing: The design of the School of Computing is made up of two symbols appropriate to the School; the flame of knowledge and the globe. The flame of knowledge is derived from three distinct disciplines: Science represented by the blue, Engineering represented by the orange, and Business represented by the tan. The globe symbolizes both the wide reaching effect of the discipline and the diversity of the School's population.

The Graduate School: The columns are indicative of the pursuit of advanced knowledge built on the strong foundation of earlier educational attainments. The earth represents the wide range of studies pursued in graduate studies and their broad applications for the betterment of the world. The oak spray represents strength and endurance in pursuit of goals.

DEGREE CANDIDATES

Academic Honors

Undergraduate students graduating with distinction receive academic honors based on grade-point average: 3.90 – 4.00 summa cum laude; 3.70 – 3.89 magna cum laude; 3.50 – 3.69 cum laude. Gold honor cords will be worn to designate academic honors. A distinction will be noted in the commencement program, on the academic transcript and on the diploma. Students who have completed an Honors Senior Project and Thesis and have earned a minimum grade-point average of 3.5, graduate with “Departmental Honors” and it is so noted in the commencement program, on the academic transcript and on the diploma.

Honors College

Students who complete all Honors College requirements including Honors course work, community service, Honors Senior Project and Thesis, and who maintain a minimum grade-point average of 3.5, graduate with “University Honors.” A distinction will be noted in the commencement program, on the academic transcript and on the diploma. In the commencement ceremony, University Honors students wear a distinctive undergraduate hood.

CANDIDATES FOR THE DOCTOR OF PHILOSOPHY DEGREE

THE GRADUATE SCHOOL

J. Harold Pardue, Ph.D., Dean and Associate Vice President, Academic Affairs

Christopher Scott Brown

BS, University of South Alabama, 2006

MS, University of South Alabama, 2007

Computing

Dissertation: *Local Model Feature Transformations*

Major Professor: Dr. Ryan Benton

George Richard Faint III

EdS, Nova Southeastern University, 2009

MBA, Troy University, 2004

MSHRD, Troy University, 2002

BS Embry-Riddle Aeronautical University, 1988

Business Administration

Dissertation: *Reverse Mentoring and Mentoring: A Quantitative Analysis from the Mentor and Protégé Points of View*

Major Professor: Dr. Joseph Hair

Faith R. Fox

BA, University of Southern Indiana, 2008

MBA, University of Southern Indiana, 2011

Business Administration

Dissertation: *In the Dark? Ethics may not be the Answer: A Moderated Medication Study of Dark Traits*

Major Professor: Dr. Mickey Smith

Haley Nicholson Gancel

BS, University of Miami, 2013

Marine Sciences

Dissertation: *Larval Oyster (Crassostrea virginica) Settlement and Distribution in a Freshwater- Dominated and Human-Influenced Estuary*

Major Professor: Dr. Ruth Carmichael

Barnita Haldar

MD, West Bengal University of Health Sciences, 2014

Basic Medical Sciences

Dissertation: *The Role of S100A6 in Endothelial Calcium Signaling*

Major Professor: Dr. Donna Cioffi

Philip E. Holmes

BS, Pensacola Christian College, 2010

MBA, Pensacola Christian College, 2015

Business Administration

Dissertation: *The Duplicitous Effects of Fostering Workplace Social Courage:*

How Personal Moral Identity Mitigates Desire to Perform Unethical “Courageous” Actions

Major Professor: Dr. Matthew Howard

April Field Kemp

BA, Southeastern Louisiana University, 2007

MBA, Southeastern Louisiana University, 2010

Business Administration

Dissertation: *Social Selling: An Examination of Strategic Efforts through Salesperson Activities and their Networks*

Major Professor: Dr. Joseph Hair

Shelitha M. McKissick

BA, University of South Alabama, 2014

Instructional Design and Development

Dissertation: *The Effects of Type of Student Response in Online Discussion on Perceived Social Ability and Interaction with Others*

Major Professor: Dr. Gayle Davidson-Shivers

Orlandric C. Miree

BS, Stillman College, 2014

Basic Medical Sciences

Dissertation: *Discovering Novel Functional and Mechanistic Roles of MYB in Ovarian Cancer Pathogenesis*

Major Professor: Dr. Ajay Singh

Zachary Michael Moore

BBA, University of Louisiana at Monroe, 2012
MBA, University of Louisiana at Monroe, 2013

Business Administration

Dissertation: *A Review of the Application of Partial Least Squares Structural Equation Modelling in Business Research*
Major Professor: Dr. Joseph Hair

Allona S. Murry

BS, University of Southern Mississippi, 2007
MBA, William Carey University, 2010

Business Administration

Dissertation: *Do You Hear Me Now? Exploring the Moderating Effects of Psychological Safety on Performance and Voice*
Major Professors: Dr. Matthew Howard and Dr. Karen Kacmar

Mary Catherine Patton

BS, University of South Alabama, 2003

Basic Medical Sciences

Dissertation: *Extracellular Vesicles as Mediators of the Adaptive Survival Response to Hypoxia in Pancreatic Cancer Cells*
Major Professor: Dr. Ajay Singh

Karen Whiddon Peterson

BA, University of South Alabama, 1984
MA, University of New Orleans, 1987

Instructional Design and Development

Dissertation: *Faculty Perception of the Impact of Active Classroom Design on Student Engagement, Attitudes toward Learning, and Preparation in Class*
Major Professor: Dr. R. Burke Johnson

Ronald Tsang

BS, University of Central Florida, 1991
MS, University of Central Florida, 1992

Business Administration

Dissertation: *Market Reactions to Risk Factors Disclosure: Evidence from Cybersecurity Incidents*
Major Professor: Dr. Amelia Baldwin

Thomas Heath Watts

BA, University of Alabama, 2011
MS, University of South Alabama, 2016

Computing

Dissertation: *Visualization of Orchestrated Containerized Workloads*
Major Professor: Dr. Ryan Benton
