SPEAKER

James H. “Jimmy” Shumock, a University of South Alabama graduate and Mobile business leader, served as president pro tem of the USA Board of Trustees from 2019 to 2022. Under his leadership, South opened Hancock Whitney Stadium on campus, established the Stokes School of Marine and Environmental Sciences, expanded access to its academic healthcare system and named Jo Bonner fourth president of the University. He also helped guide the University through the global COVID-19 pandemic.

Shumock is a former board chairman and chief executive officer of Thompson Holdings Inc., which includes Thompson Engineering, the Watermark Design Group and Thompson Consulting Services. He is a certified public accountant who earned a bachelor’s degree in accounting from South’s Mitchell College of

Business in 1980. Shumock spent more than three decades at Thompson Engineering. He served on the Alabama Commission on Infrastructure and participated in an international study of funding mega-projects for the Federal Highway Administration. Shumock is on the advisory team for the Alabama Department of Transportation’s procurement of the Mobile River Bridge and Bayway project.

Shumock was first appointed to the USA Board of Trustees in 2007. He is a fellow at the Mitchell College of Business and a founding member and the current president of the Jaguar Athletic Fund. He was a member of the leadership team for Campaign USA, the University’s first comprehensive fundraising campaign. He served on the boards of the USA Foundation and the USA National Alumni Association, where he received a Distinguished Alumni Award.

His service to the community has included participation in the Mobile Area Sports Commission, Coastal Conservation Association, Mobile Preschool for the Sensory Impaired and Mobile Baykeepers. He is a past officer and director of the Mobile Jaycees and the Alabama Deep Sea Fishing Rodeo. Shumock is a graduate of Leadership Mobile and has worked with the Mobile Area Chamber of Commerce and the Greater Gulf State Fair.

He is involved with several local, regional and international companies, serving as an advisor or board member.

Shumock is a Mobile native who graduated from University Military School, now UMS-Wright Preparatory School. He and his wife, Debbie, live in Daphne. They have one daughter, Amanda King, who lives in Atlanta with her husband, Matt, and two grandchildren, one a senior at South.

UNIVERSITY OF SOUTH ALABAMA

A BRIEF HISTORY

After starting without a single building, the University of South Alabama is celebrating its 60th Anniversary this year as the academic, research and healthcare Flagship of the Gulf Coast.

USA's story began in the early 1960s. Mobile's civic leaders realized that the region had outgrown its small university extension program downtown. They formulated plans for a four-year, degree-granting institution. On May 3, 1963, a bill creating a new, independent university passed the Alabama Legislature. USA was born.

Classes began in June 1964 at a new, \$1 million building in west Mobile. Initial enrollment totaled 276. The pent-up demand for education became obvious when the first fall semester began. Enrollment leaped to 928. Today, USA enrolls approximately 14,000 students and has awarded more than 109,000 degrees.

That first building is now the Frederick Palmer Whiddon Administration Building, named after USA's first president. Whiddon retired in 1998. His successor, longtime faculty member and administrator V. Gordon Moulton, oversaw a new era of growth into the 21st century. Dr. Tony G. Waldrop, president from 2014 to 2021, continued the USA tradition of visionary leadership focused on discovery, health and learning.

Waldrop's successor, President Jo Bonner, enthusiastically promotes a South education as a "first-class ticket to a brighter future." Fall 2023 enrollment and first-year student retention both increased, and first-year student enrollment jumped by 19 percent.

Almost from the moment USA accepted its first students, its leaders ambitiously worked toward establishing a medical school. The College of Medicine charter class began in 1973. The College of Nursing and the Pat Capps Covey College of Allied Health Professions later complemented USA's focus on health education.

Today, USA provides high-quality education in business, the liberal arts, education, engineering, computing, the sciences and healthcare. It offers more than 115 undergraduate, graduate and doctoral degrees through its 10 colleges and schools.

A charter member of the Sun Belt Conference, USA fields teams in 17 Division I sports, including baseball, softball, basketball, soccer, volleyball, tennis, golf, cross-country and track and field. In 2020, the football team played its first game in the new Hancock Whitney Stadium.

USA Health is the University of South Alabama's academic health system. With its hospitals and physician practice sites throughout the area, the health system integrates clinical care, research and healthcare education to deliver the most advanced medical care in the region. The recently acquired Providence Hospital joins University Hospital, Children's & Women's Hospital and the Mitchell Cancer Institute as major healthcare centers. USA Health also includes the region's largest multispecialty practice and the only academic physicians group on the upper Gulf Coast.

Work is underway on a new Frederick P. Whiddon College of Medicine building that will allow South to increase its physician class size. After 60 years, the University continues to grow to serve the needs of the Gulf Coast.

ACADEMIC REGALIA

Academic regalia can be traced back to European universities and ecclesiastical practices of the Middle Ages. As early as 1321, costumes identified the status of the wearer. In addition to signaling differences of degree, the garments had functional purposes, providing necessary warmth in sparsely heated buildings.

Regalia differentiate among the three degree levels used by our University; bachelor's, master's, and doctoral degrees. Common to all three levels is the headwear; the familiar square black mortarboard, although soft velvet tams may be worn by those holding doctorates. The gowns appropriate to the three ranks differ in the shape of the sleeves and in the special trim found on the doctoral gown. The bachelor's gown, which is unadorned, has wide sleeves that are pointed at the bottom. The master's gown has curiously designed sleeves, which are elongated at the rear and reach downward to the gown's bottom hem. The doctoral gown has bell-shaped sleeves and is distinctively trimmed with velvet facings down the front and three velvet bars on each sleeve. These trimmings may be black or the color appropriate to the discipline in which the degree was awarded.

The hoods worn by those holding the master's and doctoral degrees provide the color of the academic procession. These garments are draped over the shoulders and back of the wearer to display the linings, which present the colors of the university awarding the degree. Those holding degrees from the University of South Alabama wear hoods lined with chevrons of red, white, and blue. The hoods also have velvet binding, three inches wide for the master's degree and five inches for the doctorate, in a color designating the discipline.

Academic Honors

Undergraduate students graduating with distinction receive academic honors based on grade-point average: 3.90 – 4.00 summa cum laude; 3.70 – 3.89 magna cum laude; 3.50 – 3.69 cum laude. Gold honor cords will be worn to designate academic honors. A distinction will be noted in the commencement program, on the academic transcript and on the diploma. Students who have completed an Honors Senior Project and Thesis and have earned a minimum grade-point average of 3.5, graduate with “Departmental Honors” and it is so noted in the commencement program, on the academic transcript and on the diploma.

Honors College

Students who complete all Honors College requirements including Honors course work, community service, Honors Senior Project and Thesis, and who maintain a minimum grade-point average of 3.5, graduate with “University Honors.” A distinction will be noted in the commencement program, on the academic transcript and on the diploma. In the commencement ceremony, University Honors students wear a distinctive undergraduate hood.
